

TO ALL NEW MEMBERS

PAYMENT BY DIRECT DEBIT

The Society now requires all new members to sign a Direct Debit Mandate for payment of accounts and subscription. Direct Debit is easily the most efficient means of payment for both you and the Society alike, and the scheme the Society operates can cover all fees and orders. For the Society it means no cheques or cash to account for and so greatly reduces the time to process orders.

Benefits to you include:

- Payment of regular fees (e.g. annual subscription) is made automatically.
- All other payments can be made by Direct Debit, there is no need to send cash/cheques with orders.
- You can enjoy interest free credit for up to six weeks (depending on when orders are placed).
- Registrations
- Orders can be made by phone.

When paying by Direct Debit you receive an invoice each month detailing the goods/services ordered and the date on which the total amount due will be debited to your account. At least ten days-notice of debiting is given, allowing ample time to query any aspect of the invoice in the unlikely event of this being necessary. Furthermore, you are completely covered by the strict conditions governing Direct Debit Schemes whereby debits made erroneously are immediately reimbursed by the bank.

It is a requirement of the Board that all applications for membership must include a signed Direct Debit Mandate. A Direct Debit Mandate form will be found overleaf for completion along with your membership application form, and both should be returned to the above address as soon as possible.
