

## THE JERSEY CATTLE SOCIETY SHOW UNIFORM

The Society's show uniform consists of a black collared, long sleeved, embroidered shirt with the society logo and matching society tie. These are to be worn with white trousers or white jeans, with dark boots (preferably black). For all showmanship classes (handler classes) the society tie must be worn with a society shirt and a pair of white trousers or jeans. For all other Jersey showing classes, the society shirt and a pair of white trousers or jeans must be worn, with the society tie as optional.

The new Society Show uniform was launched at the 2016 All Britain All Breed Calf Show. Show Societies have been made aware of the change and requested to enforce the wearing of the new uniform. It will be compulsory for uniform to be worn at shows organised by the Jersey Cattle Society of the UK such as the ABAB Calf Show and the National Show.

*To find out more about the new uniform or to place an order please contact Allison at the Jersey Cattle Society National Office on 01926 484035. Please note we do not hold a large stock of shirts, if we do not have your size in stock we may need to order from our supplier, for these items you need to allow for a 2-3 week lead time.*
